DVD – ZIRKUS CIRCUS

The DVD of the Zirkus Circus is now available @ R60 each. We decided to use the recording of the Tuesday morning show for the DVD as ALL the learners took part in this show and we would like all the parents to be able to see their child on the DVD - especially those parents who could not attend the evening shows. It also includes a lot of photos that was taken at each show.

SPJN & SPORT

Our annual Spin & Sport evening on 30 October was a great success !! 9 Teams with lots of enthusiasm, team work and spirit enjoyed the night with us. There were also various sports and games that our learners and children from outside could enjoy. Several food stalls were thoroughly supported after the teams had to spin for 100 minutes. Thanks to every fan and a big thank you to all our sponsors.

See you next year !!!

WAITING CLASS FROM 06:00 IN THE MORNINGS

There are 2 waiting classes respectively for Junior and Senior learners. Learners can be dropped off from 06:00 and there will be supervision in these classes. The assistants will be on duty at the relevant classes until 07:00, after which all the learners will be taken to their own classes by the assistants.

The Juniors' waiting area is : Baby stoep

and the Seniors class number is: 15

Learners who are brought to school before 6:00 must be dropped off at Angels Hotel for supervision. The costs are R10 per hour per child. Any problems must be communicated to the school in writing and no discussions with the assistants PLEASE! You can also phone the school or come and visit us. The principal has an open door policy.

WATER PLAY

The children found it fascinating to run around with buckets full of water, splashing one another. Some were at water tables and others were hosed down by the teachers to keep them cool from the intense heat.

EXCURSION TO THE ZOO: GROUP 1-5

OUR THEME FOR THE PAST TWO QUARTERS WAS ANIMALS.....

It was a great adventure for the learners to see the animals we have learned about up close. Especially the shark in the aquarium, the big elephant and lions were huge favorites. After a picnic, the children returned to school with lots of new images in their heads. Some of the little ones are still asking every day when they are going again!

TAXI PARENTS AND PARENTS WHO COME LATE

Attention all parents of learners who make use of private taxi transport and parents who arrive late:

ALL learners are taken to the bus area at half past 1 (13:30). They are supervised there until their transport arrives. If the transport is late - after half past 2 (14:30) - the staff takes the learners to the aftercare (Angels Hotel). Here they are cared for and the following fees apply to you as parent for this service.

Please take up the matter with your taxi driver if you are unhappy with the fees to be paid to the aftercare when the transport comes late.

COSTS : Per afternoon - R30 p/child

: Per hour - R10 p/child

PIANO TEACHER

Dear parents! It is with the greatest of pleasure to announce that Alma School will be having a piano teacher. Let me introduce myself....

My name is Farah and I am a qualified piano teacher. I've taught in South Africa, Dubai, the UK & Bulgaria. I have therefore gained tremendous experience working with children. I will be teaching during school hours. Each child will be given a half an hour lesson. The lesson will be R160 per half an hour. Parents, I'm sure you will agree that music is very therapeutic for your child. Kindly give me a call if you're interested in enrolling your child/children on 076 982 7006!
