Alma School had a cultural evening on Thursday, 15 September. The choir, wheelchair dancers and percussion band practiced hard and looked forward to the evening. Quite a number of parents turned

up to support their children and could proudly observe what their children were capable of!! A string ensemble from "Creative Alliance for Youth in Arts" from Atteridgeville enhanced the evening's experience.

After the performances, it was time to dance! The children danced their hearts out and showed that healthy fun is part of our Alma culture. Many thanks to all the staff involved, as well as our principal, Mr Bondesio, who attended the occasion. Last, but not least, a special thanks to all the parents and children who made all of this possible.

## Tekkie Tax Business Ambassador for Disabilities

The Tekkie Tax Business Ambassador for Disabilities, Michellene Toms, celebrated her birthday with learners from Group 24 on Tuesday, 20 September. The superhero themed party was great

fun and our learners each went home with a superhero mask and a party pack. The learners from Group 22 made the most delicious snack platters for the adults to enjoy. Overall it was a blessed and fun day!!!

## “WE CARE”

We want to thank everyone who helped with the “plastic bottle tops project” for a wheelchair for Shirley Visagie. She was so fortunate to receive a wheelchair that was donated by the government. The tops we collected was handed over to the *Save-a-Child Organisation*. They will be able to help the next person who needs as wheelchair.

Our school will then finalise the project on 26 September 2016.

Regards from Group 15

### CLOTHES BANK

If you have any blue Alma school shirts or grey school pants that your child no longer use, please consider donating it to the clothes bank here at school; even if the colour is a bit faded.

### SUMMER UNIFORM

When the school reopens in October, the learners can come to school with their summer uniform.

### HEAD LICE

It is that time of year again —learners must be treated as prevention for head lice. Please check regularly if you child is infected and treat immediately.

### STOMACH VIRUS

There is a contagious tummy bug going around. Learners with symptoms, should please be taken to the clinic or doctor and they must stay at home.

## HAIRDRESSER

A hairdresser offers her services free of charge to the children of Alma School. She will come to school once a month on a Wednesday. Please complete the tear-off slip as consent if you are interested.

Unfortunately, she is not qualified to do ethnic styles.

I \_\_\_\_\_ parent / guardian of \_\_\_\_\_

\_\_\_\_\_ in group \_\_\_\_\_ hereby gives permission that my child may have a haircut, done by the hairdresser who comes to Alma School.

## The power of play for lifelong learning

The various kinds of play are generally divided into five broad types based upon the developmental purposes that each serves. Although each type of play has a main developmental function or focus, arguably each of them supports particular aspects of physical, intellectual and social-emotional growth. In practice, children's play nearly always includes more than one of these types of play. Moreover, in each case children can play alone, with other children (of the same or different ages) and with parents and other adults.

**Physical play**

**Play with objects**

**Symbolic play**

**Pretence and socio-dramatic play**

**Games with rules**
