#SPIN@ALMA / #SCHOOLWITHTHEBESTSPIRIT COMPETITION

Alma School had a HUGE function at the school on Saturday, 22 October 2016. We started early in the morning with a quick 100 minutes spinning. Six teams entered to see who the fastest, freshest and best were. Congratulations to the "Very Early Birds" team that won!!! 'Die Martelprypryers' was in 2nd place and the 'Go Getters' in 3rd place. Congratulations to these teams. Thank you for your great participation.

After this, all our learners from Alma had great fun with GROOT FM 90.5's #SCHOOLWITHTHEBESTSPIRIT competition. The Alma learners participated with the students of the 13 visiting schools and enjoyed every second. There were water games, wheelchair races, thinking games and many more. Thanks to **Octagon Adventures** that was here and assisted us so nicely. The schools also participated in the cycling and GROOT FM 90.5 entertained us with great performances by artists before they finally announced the winners.

Dear to whom this may concern

The 22nd of October, we visited your school for the school with the best spirit'. I just wanted to say that I took more home with me than what I expected. I am a grade 11 learner at Hoërskool Tuine, and I got inspired. I don't know how to say this, but it was more than just a competition. I was inspired by your children, with just the joy on their faces. We played with them and I danced with a girl in a wheelchair. I started to cry when I saw the joy on their faces. They crawled so deep in my heart, so much that I want to come and visit again. This made me realize that I want to work with children with disabilities. When I told my parents about that day at Alma, I didn't tell them what we did, but what I experienced with that children. I want to thank you for the opportunity. In this week (Wednesday), I went to my church and talked with the preacher, and he told me, that God wants to use me to help people. I realized that maby this is what he ment. And so, I got the urge to start a project to help children like that, all because of you.

Thank you

The power of play for lifelong learning

Symbolic play

This is about playing with different forms of representations and starts very early in life. It is related to the development of technical abilities to express ideas, feelings and experiences through language, painting, drawing, collage, numbers, music, etc.
