Alma School's first soccer team and Meerhof School played in the finals. It was an excellent match and in the end Alma School came out the winner!!!

Makumbelo Dhlongolo was crowned the Player of the Tournament....

The Soccer and Netball Day on Thursday, 17 May was a great success.

The following schools participated: Alma, Pretoria, Via Nova, Sunrise, Meerhof, Tsegofatsong and Unica.

In the netball section each team played 2 matches and Meerhof & Tsegofatsong played in the finals which Tsegofatsong won. Congratulations to them. Mpho Muronga from Alma School was chosen as the Player of the Tournament. She scored 7 goals in one match for Alma School. Congratulations Mpho, you make us very proud !!

African Venom & Reptile Centre Visit

On Monday, 21 May, African Venom and Reptiles Centre visited the school for an educational information session about snakes. It was a very informative presentation and our learners enjoyed learning about the different types of snakes and how to react when they are confronted by one. Those learners who had enough courage even had the opportunity to touch the snakes.

PUPPET SHOW

On 29 May Foundation Phase 2 and 3 attended a very exciting and educational puppet show about vegetable farming. Many thanks to *Marilize Bezuidenhout* for the arrangements and for *Interactive Productions* for the puppet show. The learners each got a packet of seeds to sow and care at home. We hope they will all enjoy successful crops.

RIBBON CUTTING CEREMONY

Morné and William, our school's maintenance team, worked extremely hard to build a brand new classroom for the Senior Support class. Here the ribbon to the entrance of the class is cut by our principal, Mr Swanepoel.

During the **TEKKIE TAX** celebrations on the 25th of May, the learners looked beautiful with the different colors they had on while representing the different charity groups of Tekkie Tax. They took part in the annual "Tekkie Games" and end the day with dancing and fresh popcorn.

The results of this year's competition for the learner who sold the most SHOELACES:

- 1st: Zonika Niemand with 109
- 2nd: Rochelle Schrader with 85
- 3rd: Phepetso Mashilo with 60

The senior class of the Support Phase regularly go on outings to places in the community such as shopping malls to practice social skills. Here everyone had a great time at the Wimpy!!

**Learner reports
will be available
on 21 June**

All parents : Please remember to pay your child's school fees during the school holiday to ensure you do not get in arrears.
