Alma Idols Winners

Top Dogs is a group of dog handlers with therapy dogs that visit hospitals, care centres and now also Alma School. They visited us on the 9th of February and the 9th of March and our learners had the opportunity to brush and interact with the dogs and enjoyed it tremendously. Top Dogs will visit us again during the 2nd quarter.

**Foundation Phase 2
 Excursion to the Fire Station**
 We learned what to do and what not to do in case there is a fire. For instance if a learner is left behind at home or in class during a fire outbreak, he or she should crawl to the corner of the room and stay down as much as possible. This will help to not inhale smoke and the fire fighter men first check the corners of each room for any person left behind.
